

Youth Development Programs Overview

Future Horizons Youth Foundation | Program Directory 2025-2026

Program Portfolio

Future Horizons operates three flagship initiatives engineered to support youth development at critical educational junctures.

Program Name	Target Group	Focus Area	Annual Reach
Horizon Mentors	Ages 10–18	1-on-1 Leadership & Guidance	850 Youth
STEM Innovators	Ages 12–18	Robotics, Coding & Lab Science	1,200 Youth
College & Career Readiness	Ages 16–19	SAT Prep, Internships, Grants	450 Youth

Impact Summary

Over 92% of graduating high school seniors across all three programs successfully enroll in post-secondary education or secure certified vocational apprenticeships within 6 months of program completion.
